I understand that the class(es) listed above are offered by the Mittleman Jewish Community Center and not Portland Jewish Academy. Therefore, Portland Jewish Academy and its affiliated programs are not responsible for my child during their participation in these classes. Additionally, I understand that the certified child care center license issued by the Oregon Department of Education Early Learning Division's Office of Child Care for operation of a child care center does not apply to the MJCC. Therefore, the standards from the Rules for Certified Child Care Centers may not apply:

Specifically:

- Instructors to child ratios may not meet state standards for child care centers.
- Instructors may not meet minimum employment standards for child care centers.
- Instructors may not be enrolled in the Central Background Registry, a background check required for employees in a child care center.

By signing below I give permission for my child to attend and participate in the above listed class. I have also completed official class registration through the Mittleman Jewish Community Center.
